

**Welcome  
To  
The Adult Drug Court Program**

You have decided to make a change in your life by entering into the Adult Drug Court Program. The next few weeks are going to be very busy for you. You were given an orientation to the Adult Drug Court Program before you entered, but this can be overwhelming so here are the things you need to know for the next two weeks.

Today, I am:

- Giving you the Participant Handbook,
- Scheduling your first appointment with me, and
- Gathering information to start your file.

From here:

Go to the Caroline Counseling Center, 104 Franklin Street in Denton, to:

- Start your PAC application,
- Make your initial assessment appointment, and
- Have your first drug test.

Before your appointment with me next week, complete the following tasks:

- Read your Participant Handbook
- Be prepared to make a plan for success

Over the next 12 to 18 months you will work diligently toward your success. I am here to help you along the way, but in the end your success depends on you. I look forward to seeing you next week.

Sincerely,

Fran Orndorff  
Adult Drug Court Case Manager
