## ▶ WELCOME TO ADE INCORPORATED

ADE Incorporated is a respected provider of substance abuse assessment and client evaluation software. We also offer our fully integrated Client Tracking software program **PASS (Professional Assessments Software Suite)** that lets you go beyond the assessment process. (PASS) Tracking allows you to monitor your clients progress overtime and is widely used by counselors, probation compliance departments, and substance abuse treatment programs just to name a few. Our (PASS) Tracking Software is fully customizable to meet your program needs. ADE is dedicated to the development and enhancement of quality products designed to meet the evaluation, assessment, tracking and reporting needs of professionals working in the field of substance abuse evaluation and assessment.

Quality products, customized training, superior customer support and **Affordable Pricing Philosophy** are the hallmarks of ADE Incorporated. Founded in 1983 as the first assessment provider for DUI/DWI offenders, ADE has remained a leader in the industry, working with our customers to develop products that grow and change as our customers do. We invite you to view our **JASAE**, **SALCE** and **NEEDS** assessment instruments, **PASS (Professional Assessments Software Suite)** products, and our new **Specialty Court Tracking Software**. Product demonstrations are also available through the Products page.

Call 1-800-334-1918 to speak with an ADE representative or **Contact Us** today.
